RE: Application of Carolina Water Service, Inc. for Approval of a Bulk Sewer Service Agreement between Carolina Water Service, Inc. and Utilities, Inc. and Georgetown County Water and Sewer District
Docket No.: 2012- 383 - WS

Dear Ms. Boyd:

Enclosed for filing please find Carolina Water Services, Inc.'s Affidavit of Mailing the Notice of Filing to all affected customers in the above-referenced docket. Please note that the Notice of Filing was mailed to all impacted Carolina Water Service, Inc. customers on November 19, 2012 as directed. While the Affidavit of Mailing to the public administrators and the Affidavit of Publication in The Georgetown Times were timely filed, the enclosed Affidavit was inadvertently omitted. The omission was brought to our attention and that of the Commission by the Office of Regulatory Staff and we would ask that the Affidavit of Filing be accepted for filing out of time.

By copy of this letter, I am serving it upon all parties of record. If you have any questions or if I may provide you with any additional information, please do not hesitate to contact me.

Sincerely,

Elliott & Elliott, P.A.

DOCKET NO. 2012-383-WS

Application of Carolina Water Service, Inc. for Approval of a Bulk Sewer Service Agreement between Carolina Water Service, Inc. and Utilities, Inc. and Georgetown County Water and Sewer District

Carolina Water Service, Inc. ("Applicant" or "CWS") has filed an Application with the Public Service Commission of South Carolina (the Commission) for approval of a Bulk Sewer Service Agreement by and between Carolina Water Service, Inc., Utilities, Inc., and Georgetown County Water and Sewer District ("Georgetown"). The Application was filed pursuant to Title 58 of the South Carolina Code and 26 S.C. Code Ann. Regs. 103-541 and 103-743.

The Applicant is a public utility operating water and wastewater systems under the jurisdiction of the Commission in Georgetown County, as well as certain other counties in South Carolina. CWS provides sanitary sewer service to approximately 275 premises located within the Whites Creek and Lincolnshire subdivisions in Georgetown County. Georgetown is a special purpose district. CWS and Georgetown have negotiated an agreement in which Georgetown will provide bulk sewer services to the Applicant. According to the Application, Georgetown will accept the sewage collected by CWS from the Whites Creek and Lincolnshire subdivisions at a metered delivery point at or near the Whites Creek and Lincolnshire subdivisions and transport the sewage through Georgetown's collection system to the City of Georgetown's wastewater treatment facilities. The terms of the Bulk Sewer Service Agreement reveal that CWS is responsible for payment of the sewer connection fee of three hundred thirty-nine thousand dollars (\$339,000.00) which the Applicant is seeking to record these costs as utility plant in service additions, subject to review and audit by the Office of Regulatory Staff in CWS's next rate proceeding. Once the Bulk Sewer Service Agreement is approved, a typical customer will pay about \$41.73 per month, based on a collection charge of \$26.73, and a \$15.00 pro rata charge based on 7,000 gallons per month in sewer flow, according to estimates provided by Georgetown County.

A public hearing, if scheduled, will be held in Columbia, South Carolina in the offices of the Commission at the above address, for the purpose of receiving testimony and other evidence from all interested parties regarding this Application. The time and date of this hearing will be furnished to all interested parties at a later date.
